Miracles and Breakthroughs in Macedonia and Bulgaria

This was the most powerful mission that Joy and I have had in Bulgaria. In 17 days I preached 33 times. We laid hands on thousands of people to break curses and minister deliverance and healing. We prayed over people for more than 20 hours. Many were saved and demons came out of many with loud screaming as people lay on the ground shaking.

Ruse

We began in Ruse. I preached 8 times in a Synagogue and another church. We prayed for 500 people and spoke on the Book of Revelation and Blessings or Curses. Ruse is on the Danube R. across from Romania. Many Gypsies attended.

Stara Zagora

In Stara Zagora our meetings were filmed by Christian TV. I spoke on Israel's National Defense, her Coming Revival and the need to bless Israel. This was broadcast across the nation. This was significant because most of Europe is anti-Semitic and the Turkish flotilla episode had just happened. The next day I was on national television for another 2 hours as they interviewed me. We praise God that besides the live streaming of all 33 of our messages, these 4 messages were broadcast on local cable channels and on national TV. They will be aired repeatedly for days if not weeks.

Macedonia

Our third task was to leave Bulgaria for Macedonia (part of former communist Yugoslavia). We were in a city just south of the capital of Scopia. The city has 30 thousand people, but less than 100 Evangelical Christians. We met in, what used to be, the Communist Cultural center. The people are poor and spiritually speaking, the nation is dark. One Gypsy lady refused prayer, but wanted prayer for her child. The second day she came and as soon as we laid hands on her she immediately began coughing up mucous. She received a powerful deliverance. On that day, 10 pastors came from the capital city of Scopia and asked if we would come and do a major conference on breaking curses in their city, next year.

Burgas

We left Macedonia and travelled the length of Bulgaria until we reached the port city of Burgas on the Black Sea. More than a dozen churches were represented, and all of their pastors attended. We met in the Old Theater and Opera House. The place was packed every night. More than 25% of the Christians in this large city attended the meetings. I spoke on the book of Revelation and Breaking Curses. Many people received deliverance and healing. Three of my books have been translated into Bulgarian and hundreds of them sold during these nights. The proceeds from the books stay in Bulgaria, but some of the money was used to help with ministry expenses. On the last night, we prayed for more than 500 people and we went past the rental time for the building. We thought they might turn out the lights and force us to pray for the rest of the people outside. They did not, in fact, at the end of the meeting, the old custodian who was in charge of the theater came to us. He said he had never heard or seen anything like this before. We led him through a sinner's prayer and he surrendered his life to Christ. It felt like the salvation of the jailor in the book of Acts. Praise be to God.

Sofia

Finally, we came to Bulgaria's capital city of Sofia, to hold a conference at the home church of Bishop Vasil and Pastor Tony Elenkov. They are powerful leaders in the nation with more than 350 churches in their network. I preached 9 times and we prayed for hundreds of people. Our book Blessings or Curses for the Next Generation was released in the Bulgarian language, while we were there. They made a special cake that looked like the book, to celebrate the publication. One pastor's wife came from Vidin where we ministered last year. We prayed for her at that time. She was one of many who gave powerful testimonies of healings. She had been coughing uncontrollably for 7 months and her organs were begin-

ning to shut down. The doctors said it was lung cancer or some form of pneumonia, but from the moment we prayed her coughing stopped and she was miraculously and instantly healed. She said, "a full year has passed and the healing remained." We give the praise and glory to God. **Please pray and help us fund these missions. We need your support to do God's work.** We will be in Bulgaria and Macedonia next year from June 1st until June 21. The doors are wide open for the Gospel.

Israel's Coming Revival - Book is Ready

Our next book, "Israel's Coming Revival" has been completed and it is ready for publishing. We need your help.

Financial help is needed. Reprinting our last book "Blessings or Curses" cost more than \$14,000. That, combined with our recent ministry trip to Bulgaria, has drastically reduced our funds. Six weeks ago we had \$24,000 in our account. We now have \$4,000 and that will not pay for one month's expenses. We praise God for all that has been accomplished, but now we need help. Please pray and help us financially if you are able.
